

**First Baptist Church Muskogee
Parent's Day Out**

Mission Statement:

It is our purpose to provide a happy, loving Christian environment where each child can learn and grow mentally, physically, spiritually, socially and emotionally. Everyday classroom experiences will be interpreted in ways consistent of a Christian atmosphere.

Goals:

1. To provide a safe, quiet, happy Christian environment for children 12 months to 5 years of age and as long as that age class is available.
2. To meet the needs of each child—emotionally, mentally, physically, socially and spiritually.
3. To minister and reach out to younger preschoolers and their families in our community.
4. To promote understanding between parents and teachers.
5. To promote creative teaching, social relationship growth; self-acceptance and control; and more importantly increased awareness of God's loving care and plan for them.

Curriculum:

Classroom teachers use the *Wee Learn Curriculum* as a guide to plan weekly classroom activities that will meet the specific needs and interests of each child. The weekly themes provide children with the opportunity to learn about God's Word and how it affects them. The curriculum helps children to begin to understand about God, Jesus, Bible, Church, Self, Family, Others, and the Natural World.

We believe that children are active learners. Through play, a child can: learn about the world around them; learn to deal with their emotions and how to solve conflicts; and observe and interact with other children, as well as adults.
