

Dear Senior,

It is a ridiculously exciting time for you right now. We can't wait to celebrate with you during the summer. Although this monumental moment of graduation marks a significant change to your involvement in our student ministry we still care deeply and want to walk with you and help in whatever way possible.

One way we'll do this is through a program we want you to participate in during the coming months. Adopt-a-Grad is a really simple idea... we match every one of you up with a person or family from our church who will pray for you and encourage you during your last few months of H.S. and first few months of post-high school. The folks who will *adopt* you will most likely send you gifts every once in a while, too (score!).

If you are interested in being *adopted* by someone in our church family, all you have to do is fill out the Adoptee Info sheet and turn it back in to the church. We also need a good picture (one of your Senior pics would be perfect). You can either turn that in with the form or email it to us at info@fbcmuskogee.org.

To be clear, this program is only in place to encourage and support you. The only expectation on you after you turn in the form is to sit back and enjoy the amazing people of this church who love Jesus and love you. You are absolutely welcome to communicate back to your adopter if you so choose, but you don't have to. We are excited to see how God uses the Adopt-a-Grad program in your life. Be sure to get the attached info sheet and a photo back to us pronto!

You are Loved,

Daniel Foster
