

# Adopt-a-Grad

**Time Commitment:** May - December

You can begin praying for the student from the moment you've adopted him/her, but we ask you to begin the communication process in as soon as you are accepted as an Adopter.

## **ADOPTER EXPECTATIONS:**

### **PRAY:**

Perhaps one of the greatest gifts you can give to your adoptee is to be a prayer warrior for him/her! Our intention is to regularly send you emails updating you on specific ways to be praying.

### **ENCOURAGEMENT LETTERS:**

Send a hand-written letter or card a couple of times a month. These can be encouraging, funny, supportive, etc. Also, send the occasional email.

### **CARE PACKAGES:**

Once a month, we ask that you send a care package to your adoptee. These are not intended to be elaborate and expensive but heartfelt and unique (ex: \$10 gas card, Candy or cookies, etc.). In our email updates, we will give you ideas for packages and personal preferences of treats they like.

### **IMPORTANT NOTE:**

The intent in this adoption process is much more focused on you being a prayer support and encouragement to the adoptee. We leave the option for the student to return the conversation back to you; however they may or may not. No matter if that happens, continue to communicate with and encourage them.
